The Packington Moor Chefs make everything from scratch using as many local and fresh ingredients as possible and they draw upon all of the supplies in the farm shop which are also, in many cases, available to purchase.

We showcase many of the items from our Deli and Butchery Counters, together with the farmhouse cheeses and vegetables in particular. Please let our team know if you would like any further information or if there are other items you would like to see on the menu.

For more information on allergens and dietary requirements, please ask a member of staff and we will do our best to help you.
